Payroll Details

Payroll Details

This report lists employees within a cost center or paid by a cost center, including percentages.

Who would use this report?

Anyone who is responsible for managing payroll. Note that Cost Center Payroll Details access is necessary for this report to return useful results.

When would you use this report?

This report can help with routine reviews and monitoring. It is designed to help determine costing allocations.

Why would someone use this report?

Use this report to manage payroll costing allocations, understand payroll costing as a percentage of institutional base salary, and identify errors in costing.

What questions is this report designed to answer?

- Which employees have a home cost center that belongs to me?
- Where are these employees being paid?
- Which employees from another cost center are being paid from mine?
